

LEAVE THE SAND AND ROCKS ON THE TRAIL!™

WHY CHOOSE JOE TRAILMAN GAITERS?

- RUN, WALK, AND HIKE WITHOUT DEBRIS IN YOUR SHOES.
- ONE PIECE, EASY ON AND OFF.
- CHANGE SOCKS AND SHOES QUICKLY - GAITER STAYS ON YOUR LEG.
- NO STRAP UNDER YOUR SHOES.
- ONLY SOFT, FOUR-WAY STRETCH MATERIAL ON YOUR SKIN.
- COOLER THAN OTHER GAITERS.

Joe Trailman Gaiters are quality constructed in the USA of lightweight, four-way stretch Lycra – weighing just 1.25 ounces per pair. They are cool, breathable, and very comfortable to wear.

Our gaiters attach to your shoes using a unique hook and Velcro® system, keeping rocks, dirt, and sand out of your shoes during your most grueling workouts and over the most difficult terrains.

GAITER LOVE

“Your gaiters are my favorite piece of gear. They are well-made, yet simple and functional.

~Jeff, Prescott Valley, AZ

Love how light they are. Much better than any others on the market.

~Mark, Sammamish, WA
